Sunrise

Smoothie 500mL Tumbler

S895

The Sunrise Tumbler is a must-have for summer smoothies and drinks on the go! Made from BPA-free borosilicate glass, it features a silicone sleeve for a comfortable grip and a bamboo lid with a tight seal to prevent spills. The removable stainless steel straw makes it easy to sip your drinks in style. With a 500ml capacity, it's perfect for your iced coffee, beachside beverages, or poolside relaxation. Available in 7 vibrant colours to complement your vibe and make sure you're seen in style.

S894 - Cripps RPET 950mL Bottle

Stay hydrated with the 950mL Cripps RPET Bottle, made from recycled PET for a more eco-conscious choice. The secure silicone-sealed cap helps prevent leaks, while its lightweight design makes it easy to carry. Best maintained with hand washing and packed in an OPP bag, it's a reliable pick for those who prefer a greener way to sip.

D887 - Calypso 330ml Tumbler

The Calypso Tumbler, made from 304 recycled stainless steel, is a reusable choice for enjoying hot or cold drinks. Its leak-proof lid helps prevent spills, while the insulated design keeps beverages at the right temperature for longer. A reliable alternative to disposable cups.

Windsor

1L Tea Infuser Bottle

\$898.06

The Windsor Tea Bottle lets you brew and enjoy your favourite tea anytime with a generous 1L capacity and a large tea infuser for rich, full-bodied flavour. Made from durable borosilicate glass and wrapped in a neoprene sleeve for insulation and protection, it's a must-have for tea lovers who want freshness in every sip.

D881 - Wave Drinking 350mL Cup

The Wave Drinking Cup is the ideal eco-friendly choice for your brand. Made from sustainable bamboo fibre, this 350ml cup is carbon neutral, with trees planted to offset its footprint. Perfect for cafes, restaurants, and coffee roasters, this reusable, BPA-free, and FDA-approved cup comes with a food-grade silicone lid. Durable and functional, it's dishwasher-safe, microwave-safe, and can withstand temperatures up to 110°C. Ready to add an eco-edge to your brand?

Grano

Smoothie 500mL Tumbler

NP163

The Grano Water Bottle is a smart choice for eco-conscious gifting, offering a reusable 420mL design made from biodegradable wheat straw. BPA-free and nontoxic, it's a practical way to stay hydrated while making a positive impact. A thoughtful option for brands that care about sustainability.

Organic

650mL Bottle

S896

The Organic Bottle offers a 650mL capacity with a natural cork cap and an internal screw section made from wheat straw. BPA-free and designed with a clean, modern look, it's an eco-friendly choice for those who prefer a sustainable way to stay hydrated.

S897 - Carnaby 500ml Tumbler

The Carnaby 500mL Tumbler is a fresh way to enjoy summer drinks while making an eco-friendly choice. Made from BPA-free, single-walled glass, it features a tight-seal bamboo lid to help prevent spills and a removable stainless steel straw for a reusable touch. Great for iced coffee, smoothies, or any refreshing drink, it's easy to take along to work, the beach, or by the pool.

S892 - Vera 600ml Glass Bottle

Our 600ml Vera Glass Bottle is available in two eye-catching colours, with a sheer finish that lets you showcase fruit-infused water or simply enjoy a vibrant splash of colour. Prefer a classic look? Opt for the clear version. Made from durable glass with a stainless-steel screw lid, this bottle is BPA-free and won't absorb flavours, so every sip tastes fresh.

JT122 - Koda Survival Notebook

Koda means “the Ally” in the Dakota language, and that’s exactly what this notebook is – your go-to sidekick for tackling every challenge. With 48 double-sided lined pages and a waterproof paper cover, Koda isn’t just a smarter, more eco-friendly choice than regular notebooks, it’s built to keep up with your busiest days.

D430 - Milky A5 Notebook & Pen Set

The Milky Notebook & Pen Set is a sustainable choice made from recycled milk cartons, giving new life to materials that would otherwise go to waste. The sturdy yet smooth notebook cover provides an ideal surface for your thoughts and ideas, while inside, 80 lined pages of high-quality recycled paper are ready for notes, sketches, and plans. The matching Milky Pen, also made from milk carton paper, ensures a comfortable grip and smooth writing experience. Perfect for everyday use, this set is a step towards reducing waste and embracing reusable practices.

Pioneer

RPET A5 Notebook

D428

This RPET Notebook turns recycled materials into a smarter way to write, plan, and create. With 160 pages of high-quality lined recycled paper, a ribbon marker for easy access, and a secure closure band, it's built for those who want a reliable notebook without compromising on sustainability.

Planetscribe

RPET A5 Notebook

D429

This A5 notebook is designed for those who want to write with purpose. Featuring 80 sheets of smooth, lined recycled paper and a durable RPET cover, it's perfect for capturing ideas, notes, and sketches. Paired with a sleek bamboo pen, this set makes sustainability part of your everyday routine.

P143 – Napoli Bamboo Pen

The Napoli Bamboo Stylus Pen brings sustainability and convenience together in one smart design. Featuring a natural bamboo barrel and a vibrant coloured nib, it delivers a smooth, precise writing experience with a simple click-to-use mechanism. A standout choice for those who want an eco-friendly pen without compromising on performance.

P142 – Manopoli Bamboo Pen

The Manopoli Bamboo Stylus Pen is an eco-conscious writing tool designed for both function and sustainability. Featuring a coloured nib, gunmetal grey plastic clip, and a smooth click-to-use mechanism.

ECO NOVA

Computer Backpack

D605.R

The Nova Computer Backpack is built for those who move fast and think ahead. Made from recycled PET, it's tough on security but easy on the planet. Hidden zippers, cut-proof construction, and padded compartments keep your laptop and tablet locked down, while the foam-padded back and adjustable straps keep you comfortable. Need power on the go? The built-in USB charging port has you covered. Smart, secure, and sustainable, this backpack is ready for anything.

RB302 – Reforest Jute Shopping Bag

The Reforest Jute Tote Bag combines sustainability with purpose. Made from natural jute fibre and now featuring a 140 GSM cotton front pocket, it's as practical as it is eco-friendly. With every order, native trees are planted across Australia, restoring degraded landscapes, one tree for every 100 bags sold. Each bag also comes with a recycled paper tag, sharing the story of this reforestation initiative. Carry your essentials while making a real impact.

RB301 – Reforest Jute Tote Bag

Made from natural jute fibre with a 140 GSM cotton front pocket, the Reforest Jute Tote Bag does more than just carry your essentials - it helps restore Australia's landscapes. With every order, native trees are planted, turning everyday shopping into a step towards a greener future.

Lamar

Recycled Large Tote Bag

RB1041R

The Lamar Recycled Bag is built for those who want sustainability without sacrificing convenience. Made from 70% recycled pre-consumed cotton and 30% recycled pre-consumed polyester, this 500gsm bag is tough, roomy, and ready for anything. With a secure zip closure and an internal zipped pocket, your essentials stay safe while you move through the day. Eco-friendly, durable, and designed to keep up - Lamar has you covered.

RB1018RC – Recycled Colourful Cotton Tote Bag

An eco-friendly pop of colour! The Recycled Tote bag boasts a blend of 50% cotton and 50% recycled material. Stay on brand and eco-conscious while on the go.

RB1018R – Recycled Cotton Tote Bag

A natural beauty, this large tote is made with a blend of 50% cotton and 50% recycled materials to create the perfect classy and useful branding opportunity.

H116 - Dog Waste Bag Dispenser

Make every walk cleaner and greener, one bag at a time. The dog waste bag dispenser with a sustainable twist is made from wheat straw, offering a durable and eco-friendly solution for responsible pet owners. Each dispenser includes a roll of 12 waste bags and features a handy carabiner clip for easy attachment to your leash, belt loop, or bag. Whether you're strolling through the park or exploring new trails, this dispenser ensures you're always prepared while reducing environmental impact.

A4201 - London Recycled Leather Keyring

Made from recycled leather, it offers a stylish yet sustainable accessory that complements both fashion and function. Perfect for those who appreciate refined details with an eco-conscious twist.

Splash-O-Matic

Reusable Water Balloon

T520

All the fun, none of the mess! An eco-friendly alternative to traditional water balloons. Quick filling with magnetic closure and durable silicone construction. Perfect for water fights, poolside fun, and backyard parties.

B165 – Round Bamboo Coaster

This bamboo coaster does more than just protect your tabletops - it's got a hidden twist! Flip it over to reveal a built-in bottle opener, keeping the good times flowing with zero hassle. Sturdy, sustainable, and full of surprises, it's the perfect sidekick for any home bar or gathering.

B164 – Square Bamboo Coaster

More than just a coaster - this bamboo essential pulls double duty with a hidden bottle opener underneath. It keeps your tabletops safe while making sure the drinks keep flowing. Sleek, sturdy, and sustainably made, it's a clever addition to any home bar or gathering.

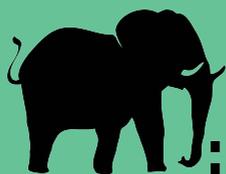

Boomer

Bamboo Wireless Speaker

T634

Turn up the sound and keep it green with the Bamboo Wireless Speaker! With up to 6 hours of playtime on a quick 3-hour charge, this eco-friendly powerhouse is always ready to roll. Connect via Bluetooth or the 3.5mm Aux port for effortless listening, whether you're chilling at home or setting the vibe outdoors. Big on sound, kind to the planet, this speaker is music to your ears in more ways than one!
