S105 – Mili Straws

As low as \$3.38

The age of the plastic straw is over. It's time to bid adieu to these notorious products of pollution and reimagine the way we enjoy a beverage. The Mili Straws are made from a strong, resistant paper, ensuring the preservation of our environment and a brilliant new way to sip and slurp. 20 straws in each box. We are the straw experts, talk to us today!

S102 – Telescopic Stainless Steel Straw

As low as \$1.58

In today's environmentally aware society, the Telescopic Stainless-Steel Straw stands as an important tool in branding your business. Featuring a silicone tip and attached to a plastic clip for ease in transportation, the straw is highly convenient in its telescopic build and exists as a trending product in modern industry. We are the straw experts, talk to us today!

B120 – Sipco Bamboo Straws

As low as \$2.25

Zero waste living just got easier, with these Sipco bamboo straws that are biodegradable, sustainable and eco-friendly. Ideal for cold summer drinks, fruit smoothies and dinner party cocktails. Please note: Because the straws are made from natural bamboo, each one will need washing before first use. If there is any pith on the inside of a straw, it can be brushed out and then washed. Pith is totally natural and edible so should not cause concern. Comes complete with stainless steel cleaning brush with sisal bristles.
